

## BE STRONG IN THE LORD / Ephesians 6:10-13

1. We are in a \_\_\_\_\_ every moment of every day.

Affirmation: I am in a spiritual battle. The devil is trying to keep me from God and all that He has for me. In order to stay safe, I must remain on guard against the devil's schemes.

2. God gives us \_\_\_\_\_ to fight the battle.

Affirmation: The devil is too strong to fight in my own strength. Thankfully, God gives me His strength. If I will strengthen myself in the Lord, putting on His armor, then I will remain standing to the end.

3. \_\_\_\_\_ are never the enemy.

Affirmation: Yes, people do bad things--for which they are accountable to God-- but demons, not people, are my enemy in the spiritual battle. My goal for people is to see them set free from demonic deception and transformed by the love of God in Jesus Christ.

4. The battle will \_\_\_\_\_ in victory for the people of God.

Affirmation: The spiritual battle will end in victory for the people of God. I will let that hope energize my fight in the current "day of evil."
